At Jamison Studios you get to design your own Wedding Album just days after your wedding. Designing your album is as much fun as the wedding day's festivities. You will have over 100 formal and candid portraits with which to select from to complete your wedding memory album.

We believe in the love between family, friends and the newly wed couple. The love of photography and the enthusiasm of our nearly 25 years of photography will simply shine through in your portraits. Our cutting edge wedding photography combined with our state of the art computer system, pairs an unbeatable system for you to put together a Wedding Story Book that is more than a cluster of snapshots. This special combination allows us to create many more photographs from which to choose, without any additional cost to you.

How much you pay will be exactly determined by how you want to remember your one very special day.

Our photography coverage begins at \$700, this includes; Engagement session, full wedding ceremony photography, reception coverage of your cake cutting and guest photos, CD of previews, internet posting of your custom designed album.
